100 Thirteenth Avenue, Tauranga

Cost: \$5 per workshop / free to Friends of TEC
Contact: tauranga@envirohub.org.nz
or (07) 578 6664

Brought to you by Tauranga Environment Centre and Energy Options

Greencard scheme set to launch this Spring

Tauranga Environment Centre (TE is currently developing the 'Greencard' - a new environmental discount card for the Bay of Plenty. The Greencard aims to save you money, support local businesses and promote participation in local environmental initiatives.

We want your input before we go live! Right now we're looking for suggestions for good local

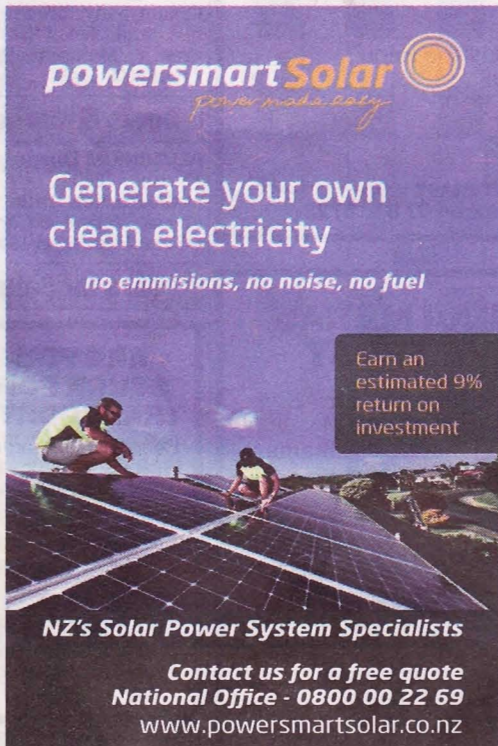

businesses that pay a living wage, treat their staff fairly and are taking steps to minimise their environmental impact. You can see our suggestions by 'liking' our facebook page - www.facebook.com/greencardtauranga or following us on twitter @greencardTGA.

But don't stop there! budding young artists who'd like a chance to have their work displayed all

We'd love to hear from you! look to develop the Greencard and associated promotional materials.

Located in the original Schoolhouse at the 17th Ave, TEC promotes environmental events in our online Events Calendar. If you have an event you'd like to promote, please call

To find out more about our workshops (see advertisement) visit envirohub.org

The SoapNut Shop

SoapNuts - a 100% natural detergent

SOAPNUTS, Soap Nuts or Soapberry, also sometimes referred to as Washing Nuts or Wash Berry are fruits that grow on trees. These fruits contain a natural substance called Saponin, which when dissolved in water, create mild suds, which is very similar to soap. This soapy substance has remarkable detergent properties, easily replacing normal detergents. It works effectively by removing dirt and dissolving oils from clothes and other surfaces.

SoapNuts are:

- ✓ a 100% natural detergent
- ✓ environment friendly
- ✓ affordable (from only \$0.12 per load)
- ✓ 100% biodegradable
- ✓ perfect for people with sensitive skin
- ✓ reusable
- ✓ economical
